better sleep sound machine

instruction manual
& warranty information

READ AND SAVE THESE INSTRUCTIONS

PLEASE READ ALL INSTRUCTIONS CAREFULLY BEFORE OPERATING
IMPORTANT SAFETY INSTRUCTIONS - WHEN USING AN ELECTRICAL
APPLIANCE, BASIC PRECAUTIONS SHOULD ALWAYS BE FOLLOWED, INCLUDING
THE FOLLOWING:

- All packing material, such as tags and packaging locks, are not part of this product and should be discarded for your child's safety.
- DO NOT PLACE SPEAKERS TOO CLOSE TO EARS. MAY CAUSE DAMAGE TO EAR DRUMS, ESPECIALLY IN YOUNG CHILDREN.
- This product is not a toy and is not intended for use or play by children.
- Use this product only for its intended use as described in this manual.
- DO NOT use attachments not recommended by Homedics.
- DO NOT place or store this product where it can fall or be dropped into a tub or sink.
- DO NOT place or drop into water or any other liquid.
- NEVER operate this product if it has a damaged cord, plug, cable, or housing.
- Keep away from heated surfaces.
- Only set on dry surfaces. Do not place on surface wet from water or cleaning solvents.
- This unit should not be used by children without adult supervision.
- Always keep the product away from high temperatures and fire.
- DO NOT use any other AC Adapter than what is supplied with the product. Use of any other AC adapter may damage the product and may increase risk of harm to user or property. Only AC Adapter bearing the Part #: PP-ADPESS2A should be used.
- This product is intended for indoor, household use only.
- All servicing of this product must be performed by authorized Homedics Service Personnel only.

create your perfect sleep environment

Thank you for purchasing our portable sound machine with night light. This, like the entire Homedics product line, is built with high-quality craftsmanship to provide you years of dependable service. We hope that you will find it to be the finest product of its kind.

This portable sound machine helps create your perfect sleep environment. Fall asleep to any of its 12 calming sounds. It also masks distractions to improve your concentration while you read, work or study.

portable sound machine features

- 12 sounds: brook, campfire, ocean, rain, seaside, summer nights, thunderstorm, tibetan bowl, brown noise, pink noise, white noise and shhhh
- Auto-timer lets you choose how long you listen – 15, 30, 60 minutes or continuously
- Volume control adjusts the sound volume
- Compact and lightweight for travel
- Night light

assembly and instructions for use

- This unit is powered by a AC adapter, which is included or by 4 “AA” batteries, which are not included.
- Attach the AC adapter jack to the base of the unit and insert the adapter into a 120V household outlet.
- To install batteries, remove compartment cover. Insert 4 “AA” batteries into the compartment on the bottom according to the polarity direction indicated. Replace cover and snap into place.

listening to sounds

- Power the unit on by turning the VOLUME knob in the clockwise direction.
- Press the button of the sound you wish to listen to (Fig. 2). The green POWER LED will indicate the unit is on (Fig. 1).
- To adjust the volume, turn the VOLUME knob (Fig. 3) to your desired level.
- When finished listening to the sounds you may turn them off by turning the VOLUME knob to the off position (Fig. 1).

NOTE: When the unit is turned on, it will always default to the last sound used.

night light instructions

- Default: Light = Off
- Short press of LIGHT button = ON
- Press again = brighter
- Press again = brightest
- Long press = OFF

Night light Color:

- Default = last selected color (or warm white if no color has been selected).
- While the light is on, press the COLOR button to switch in sequence between the following color options:
Amber 2000K - Warm White 3000K - Cool White 5000K - Blue 8000K

NOTE: The light can be used with or without the sounds.

using the auto-timer

- When the power is on and you are listening to a nature sound, you may set a timer so the unit will automatically turn off.
- Toggle through the TIMER button (Fig. 1) until the corresponding LED illuminates next to the time of your choice, 15, 30 or 60 minutes. The unit will automatically shut off after the selected time and the POWER LED (Fig. 1) will remain lit showing you it is still in timer mode. If you choose to listen to another timed sound, press the timer button to select a desired time. Or if you choose to listen to the sounds continuously, turn the unit off and then back on.

NOTE: Do not select the TIMER button if you wish to listen to the sounds continuously.

maintenance

To Store

You may leave the unit on display, or you can store it in its box or a cool, dry place.

To Clean

Wipe off dust with a damp cloth. NEVER use liquids or abrasive cleaner to clean. Modifications not authorized by the manufacturer may void user's authority to operate this device.

battery precautions

- Replace all batteries at the same time. Do not mix new and used batteries. Do not mix alkaline, standard, or rechargeable batteries.
- Use only the size and type of batteries specified.
- Clean the battery contacts and the contacts of the device with a dry cloth prior to installing the batteries.
- Ensure the batteries are installed correctly with regard to polarity (+ /-).
- Remove batteries from the device when the device is not used for an extended period.
- Remove batteries promptly from the device when the batteries are depleted.
- Keep batteries away from children.
- Batteries are small objects and could be ingested. If swallowed, contact a physician at once.
- Remove depleted batteries from the unit promptly. Dispose of used batteries safely.
- Recycle or dispose of batteries properly in accordance with all local, state, province, and country regulations. Do not open batteries or dispose of in fire.

supplier's declaration of conformity

Product Description: sound machine + Bluetooth® speaker

Model Numbers: SS-2600, SS-2605

Trade Name: Homedics

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. This device contains license-exempt transmitter/receiver that complies with Innovation, Science and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

U.S. Contact Information

Company: Homedics, LLC.

Address: 3000 N. Pontiac Trail, Commerce Township, MI 48390

8:30am-7:00pm EST Monday-Friday 1-800-466-3342

Homedics is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAN ICES-003(B)/NMB-003(B)

RF Exposure Statement

This equipment complies with FCC and ISED RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

1-year limited warranty

Homedics sells its products with the intent that they are free of defects in manufacture and workmanship for a period of 1 year from the date of original purchase, except as noted below. Homedics warrants that its products will be free of defects in material and workmanship under normal use and service. This warranty extends only to consumers and does not extend to Retailers.

To obtain warranty service on your Homedics product, contact a Consumer Relations representative for assistance. Please make sure to have the model number of the product available.

Homedics does not authorize anyone, including but not limited to Retailers, the subsequent consumer purchaser of the product from a Retailer, or remote purchasers, to obligate Homedics in any way beyond the terms set forth herein. This warranty does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorized accessory; alteration to the product; improper installation; unauthorized repairs or modifications; improper use of electrical/power supply; loss of power; dropped product; malfunction or damage of an operating part from failure to provide manufacturer's recommended maintenance; transportation damage; theft; neglect; vandalism; or environmental conditions; loss of use during the period the product is at a repair facility or otherwise awaiting parts or repair; or any other conditions whatsoever that are beyond the control of Homedics.

This warranty is effective only if the product is purchased and operated in the country in which the product is purchased. A product that requires modifications or adoption to enable it to operate in any other country than the country for which it was designed, manufactured, approved, and/or authorized, or repair of products damaged by these modifications is not covered under this warranty.

THE WARRANTY PROVIDED HEREIN SHALL BE THE SOLE AND EXCLUSIVE WARRANTY. THERE SHALL BE NO OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OR ANY OTHER OBLIGATION ON THE PART OF THE COMPANY WITH RESPECT TO PRODUCTS COVERED BY THIS WARRANTY. Homedics SHALL HAVE NO LIABILITY FOR ANY INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES. IN NO EVENT SHALL THIS WARRANTY REQUIRE MORE THAN THE REPAIR OR REPLACEMENT OF ANY PART OR PARTS THAT ARE FOUND TO BE DEFECTIVE WITHIN THE EFFECTIVE PERIOD OF THE WARRANTY. NO REFUNDS WILL BE GIVEN. IF REPLACEMENT PARTS FOR DEFECTIVE MATERIALS ARE NOT AVAILABLE, Homedics RESERVES THE RIGHT TO MAKE PRODUCT SUBSTITUTIONS IN LIEU OF REPAIR OR REPLACEMENT.

This warranty does not extend to the purchase of opened, used, repaired, repackaged, and/or resealed products, including but not limited to sale of such products on internet auction sites and/or sales of such products by surplus or bulk resellers. Any and all warranties or guarantees shall immediately cease and terminate as to any products or parts thereof that are repaired, replaced, altered, or modified, without the prior express and written consent of Homedics.

This warranty provides you with specific legal rights. You may have additional rights that may vary from country to country. Because of individual country regulations, some of the above limitations and exclusions may not apply to you.
